

What is Oklahoma STABLE?

- An Oklahoma STABLE account is an investment account that allows qualified individuals with disabilities to **save and invest money without losing eligibility** for certain public benefit programs, like Medicaid or SSI.
- Oklahoma STABLE accounts are made possible by the federal Achieving a Better Life Experience “ABLE” Act passed by Congress in 2014. Oklahoma STABLE launched May 31, 2018.
- Oklahoma STABLE accounts are similar to a 529 college savings account or 401(k) retirement plan and can work alongside Special Needs Trusts. They can also function like a regular checking account.

What are the Benefits?

- Oklahoma STABLE accounts provide financial independence and empowerment for individuals with disabilities by dramatically increasing the ability to save and invest.
- Before, individuals with disabilities could only save \$2,000 before losing needs-based benefits.
- Now, Oklahoma STABLE allows individuals with disabilities to **save and invest up to \$15,000** annually without affecting eligibility for certain public benefits programs.
- Oklahoma STABLE funds can be used on Qualified Disability Expenses including: education, housing, transportation, healthcare, assistive technology, employment needs and basic living expenses.
- Earnings on an Oklahoma STABLE account grow tax-free and are not subject to federal or state income tax, so long as they are spent on Qualified Disability Expenses.

Who is Eligible?

- An “Eligible Individual” is someone whose disability began before the age of 26, has been living with their disability for at least one year, or expects their disability to last for at least a year.
